I have just completed my ____ 1\textsuperscript{st} ____ 2\textsuperscript{nd} ____ 3\textsuperscript{rd} ____ 4\textsuperscript{th} ____ 5\textsuperscript{th} Clinical.

I. Program Director

Directions: Please rate your Program Director’s performance, from 1 to 5, in the following areas. Circle your response.

Key:  
1 = poor  
2 = fair  
3 = good  
4 = above average  
5 = outstanding  

1. Is knowledgeable of the profession of athletic training.  
2. Communicates high expectations for performance of students.  
3. Demonstrates a sincere interest in her/his students.  
4. Is respectful.  
5. Is fair.  
6. Sets a positive example in word, action and appearance.  
7. Has a positive attitude and enthusiastic personality.  
8. Is an effective leader.  
9. Is an effective communicator.  
10. Uses authority appropriately.  
11. Is receptive to my needs and concerns.  
12. Is available.

Please Provide Suggestions on How the Program Director can do a better job of providing leadership to the ATEP?
II. **Academic Coursework**

How well has the coursework you have completed so far prepared you in the following areas? Please circle your response. Circle NA if you have not taken a course related to this area. Please provide any additional comments you feel are important.

**Comments:**

How would you best describe the **level of intellectual challenge** presented by the required courses (within the athletic training major) you have completed so far? Circle the response that best describes how you feel. Provide any additional comments you think are necessary.

- Highly challenging.
- Moderately challenging.
- Not very challenging.

**Comments:**
III. Clinical Experiences

Please rate your level of satisfaction with the following statements as related to your clinical or fieldwork experiences. Please feel free to add comments wherever necessary.

Key:  
4 = very satisfied  
3 = somewhat satisfied  
2 = dissatisfied  
1 = very dissatisfied

1. Appropriateness of my clinical placements.     4       3      2      1      NA
2. Opportunity for “hands on” experience.     4      3      2      1      NA
3. Opportunity for “active” learning.      4      3       2      1      NA
4. Opportunity to gain confidence in myself.     4      3      2      1      NA
5. Level of challenge presented to me.        4      3      2      1      NA
6. Time commitment expectations.       4      3      2      1      NA
7. Opportunity to interact with other health care professionals.  4      3      2      1      NA
8. Opportunity to develop self-reliance skills.     4      3      2      1      NA
9. Opportunity to develop leadership skills. 4      3      2      1      NA
10. Challenge of learning to work as a “team” member. 4      3      2      1      NA
11. Challenge of understanding “other” or “different” points of view.  4      3      2      1      NA
12. Travel with team expectations.       4      3      2      1      NA
13. Opportunity to apply course content in a clinical setting.  4      3      2      1      NA
14. Adequacy of learning materials (supplies, equipment to learn with).  4      3      2      1      NA
15. Overall, how satisfied are you with your clinical experiences this year?  4      3      2      1      NA

Comments:
**SOPHOMORES (only): Please rate the following:**

1. How satisfied are you with the current plan of having 1st year students completing 150 hours in Clinical I and II?  
   
   Comments:

2. How satisfied are you with the **Competency (Skill) check-offs**?  
   
   Comments:

3. How satisfied are you with the required rotation through orthopedic medicine with AOS (Team Physician/Medical Director)  
   
   Comments:

4. How satisfied are you with the End of the Year Examinations  
   
   Comments:

**Juniors/Seniors (Only): Please rate the following:**

1. How satisfied are you with the current plan of having junior and senior athletic training students assigned to two sports (generally) per year?  
   
   Comments:

2. How satisfied are you with the requirement to complete 150 hour clinical experiences?  
   
   Comments:

3. How satisfied are you with the required rotation through the Emergency Room?  
   
   Comments:

4. How satisfied are you with the required surgical observation?  
   
   Comments:
5. How satisfied are you with the required Rehabilitation rotations?
